

## **Announcement of Tendering Process for Event Management and Security Contract Packages for Pride in Brighton & Hove.**

Pride in Brighton & Hove is a registered charity whose objectives are to promote equality and diversity and to advance education to eliminate discrimination against the Lesbian, Gay, Bisexual and Transgender community.

As part of the Summer Festival week, in August each year we run a free, one-day Carnival Parade and main park event. The Carnival Parade runs through the city from the seafront to Preston Park. The main park event caters for up to 150,000 people at any one time and offers a range of activities including cabaret, dance and other performance tents, a market concessions area and a community village for voluntary organisations.

**We wish to hear from suitably experienced organisations interested in tendering for one or both of the following contracts:**

- Event Management – to include procurement of infrastructure for the main park event, event production, market concessions and waste management.
- Security – to include security on the Park leading up to the event, and at the main park event and Carnival Parade on the day itself.

The contract period will be for four events, to run from 2010 to 2013 or 2014, pending a decision about the event in 2012.

Outline information will be sent to requesting organisations, together with a deadline by which interested parties will be required to request the full Tender Documentation Pack. Organisations wishing to submit tenders are strongly recommended to attend this year's event on **Saturday 1<sup>st</sup> August 2009.**
